**CURRICULUM:** Are you a leader? Do you have what it takes to be an effective leader? Successful leaders think, see, and communicate differently. They look toward the future to know how things should be and are continuously developing themselves and those around them. The benefit of taking this course is that that you will be given tools and strategies to equip you to be effective in your leadership role. During this intensive and interactive three-day seminar we will:

- Define leadership and identify the difference between leadership and supervision/management.
- Discuss the importance of credibility and integrity in leadership.
- Evaluate and discover your personal leadership style and strengths through a power online assessment that will reveal **HOW as well as WHY you do what you do** as a leader.
- Understand the differences, purposes and challenges of personal and professional relationships on the job.
- Learn the 6 types of power that you have as a leader and now NOT to abuse them.
- Reveal the various pitfalls of leadership and how to avoid them
- Develop your decision making, delegation and conflict resolution skills.
- And MUCH MORE!!!

**ATTIRE:** Business professional. No shorts, t-shirts.
